MICHAEL **HART**

1811 Wilder Ave, Helena, MT 59601 · (360) 980-3083
lionrhart@gmail.com · **LinkedIn Profile** · **Portfolio**

Innovative Full-stack Developer with robust problem-solving skills and a keen eye for user experience design. Renowned for swiftly mastering new technologies and delivering impactful digital solutions. Proven track record of enhancing user engagement and optimizing web functionalities – both frontend and backend, ultimately driving greater profits and customer satisfaction for the company.

EXPERIENCE

APRIL 2022 – CURRENT
LEAD DEVELOPER, SIMPLE DEVELOPMENT SOLUTIONS, LLC (REMOTE)

- Frontend and backend duties – from UX design to encryption, Paypal/Stripe integration, developing server side logic using frameworks such as Node.js and Express, or plain PHP/SQL, depending on the needs of the application.
- Develop and maintain responsive web applications using PHP, React, Node.js, Express, and MySQL/MongoDB, optimizing performance and ensuring security best practices.
- Create and implement RESTful APIs, integrate third-party services, and set up CI/CD pipelines, reducing overall deployment time

NOVEMBER 2020 – AUGUST 2023
FRONT-END DEVELOPER, COSTCO

- Develop and maintain responsive, user-friendly web interfaces using HTML, CSS, JavaScript, and front-end frameworks (React and JQuery), ensuring cross-browser compatibility and collaborating with UI/UX designers to enhance user experience

SEPTEMBER 2019 – APRIL 2022
CODING TUTOR (REMOTE)

- Educate students in web development, focusing on best practices and modern technologies, significantly improving their coding proficiency and job readiness.
- Curate comprehensive learning materials that enhance students' understanding of complex programming and web development concepts.

MARCH 2019 – CURRENT
PARTNERED CONTENT CREATOR, YOUTUBE

- 1.7M views. Personality-based content where I help people with various life issues – relationships, career, and multiple other self-improvement topics. I am also available for coaching upon request.

NOVEMBER 2007 – DECEMBER 2010
ORDER SPECIALIST, UNITED NATURAL FOODS, INC. (RIDGEFIELD, WA)

- Achieved top performance in order accuracy and speed, enhancing the supply chain efficiency by consistently exceeding key performance indicators by 20%.

NOVEMBER 2003 – MARCH 2007

HARD LINES TEAM LEAD, SEARS (VANCOUVER, WA)

- Led a team overseeing the electronics, sporting goods, and automotive departments, driving a clear increase in department sales through strategic merchandise displays and promotions.
